

Item #	Supplier Part #	Long Item Description	UOM	Estimated QTY	Contract Price	Extended Amount
1	VP5230F2-LWIN	KENWOOD Viking P25 Digital Portable Radio, Compact Ergonomics. VHF Model 2 Standard Keypad. Includes: VP5230F2 VP5230, VHF, M2. Housing: Black. Standard Keypad (M2). Model Options: Immersion (IP67/IP68). Antenna: KRA-26M3 VHF Helical 136-150MHz. No Battery. No Speaker Mic. Analog FM. P25 CAI AMBE+2. Analog Conventional. 8322000002 P25 Conventional. 8322000005 P25 Phase 1 Trunking. 8326000006 1024 Ch. Conventional Voting Scan. TrueVoice Noise Cancellation. 8326000015 25KHz Disabled. Warranty: 3 Year. Lifetime Perpetual software licensing to next radio purchased.	EA	1		
2	VP5230F3-LWIN	KENWOOD Viking P25 Digital Portable Radio, Compact Ergonomics. VHF Model 3 Full Keypad. Includes: VP5230F3 VP5230, VHF, M3. Housing: Black. Full Keypad (M3). Model Options: Immersion (IP67/IP68). Antenna KRA-26M3 VHF Helical 136-150MHz. No Battery. No Speaker Mic. Analog FM. P25 CAI AMBE+2. Analog Conventional. 8322000002 P25 Conventional. 8322000005 P25 Phase 1 Trunking. 8326000006 1024 Ch. Conventional Voting Scan. TrueVoice Noise Cancellation. Warranty: 3 Year. Lifetime Perpetual software licensing to next radio purchased.	EA	1		
3	VP5430F2-LWIN	KENWOOD Viking P25 Digital Portable Radio, Compact Ergonomics. 7/800 MHz Model 2 Standard Keypad. Includes: VP5430F2 VP5430, 7/800 MHz, M2. Housing: Black. Standard Keypad (M2). Model Options: Immersion (IP67/IP68). Antenna KRA-32K 7/800 MHz 1/2 Wave Whip. No Battery. No Speaker Mic. Analog FM. P25 CAI AMBE+2. Analog Conventional. 8322000002 P25 Conventional. 8322000005 P25 Phase 1 Trunking. 8326000006 1024 Ch. Conventional Voting Scan. TrueVoice Noise Cancellation. Warranty: 3 Year. Lifetime Perpetual software licensing to next radio purchased.	EA	104		

4	VP5430F3-LWIN	KENWOOD Viking P25 Digital Portable Radio, Compact Ergonomics. 7/800 MHz Model 3 Full Keypad. Includes: VP5430F3 VP5430, 7/800 MHz, M3. Housing: Black. Full Keypad (M3). Model Options: Immersion (IP67/IP68). Antenna KRA-32K 7/800 MHz 1/2 Wave Whip. No Battery. No Speaker Mic. Analog FM. P25 CAI AMBE+2. Analog Conventional. 8322000002 P25 Conventional. 8322000005 P25 Phase 1 Trunking. 8326000006 1024 Ch. Conventional Voting Scan. TrueVoice Noise Cancellation. Warranty: 3 Year. Lifetime Perpetual software licensing to next radio purchased.	EA	1		
5	VP6230BKF2-LWIN	KENWOOD Viking P25 Digital Portable Radio, Advanced Public Safety Ergonomics. VHF Model 2 Standard Keypad. Includes: VP6230BKF2 VP6230, VHF, M2, BK. Housing: Black. Standard Keypad (M2). Model Options: Immersion (IP67/IP68). Antenna: KRA-26M3 VHF Helical 136-150MHz. No Battery. No Speaker Mic. Analog FM. P25 CAI AMBE+2. Analog Conventional. 8322000002 P25 Conventional. 8322000005 P25 Phase 1 Trunking. 8326000006 1024 Ch. Conventional Voting Scan. TrueVoice Noise Cancellation. 8326000015 25KHz Disabled. Warranty: 3 Year. Lifetime Perpetual software licensing to next radio purchased.	EA	1		
6	VP6230BKF3-LWIN	KENWOOD Viking P25 Digital Portable Radio, Advanced Public Safety Ergonomics. VHF Model 3 FULL KEYPAD. Includes: VP6230BKF3 VP6230, VHF, M3, BK. Housing: Black. Full Keypad (M3). Model Options: Immersion (IP67/IP68). Antenna: KRA-26M3 VHF Helical 136-150MHz. No Battery. No Speaker Mic. Analog FM. P25 CAI AMBE+2. Analog Conventional. 8322000002 P25 Conventional. 8322000005 P25 Phase 1 Trunking. 8326000006 1024 Ch. Conventional Voting Scan. TrueVoice Noise Cancellation. 8326000015 25KHz Disabled. Warranty: 3 Year. Lifetime Perpetual software licensing to next radio purchased.	EA	1		

7	VP6230GRF2-LWIN	KENWOOD Viking P25 Digital Portable Radio, Advanced Public Safety Ergonomics. VHF Model 2 Standard Keypad. Includes: VP6230BKF2 VP6230, VHF, M2, GR. Housing: HI VISIBILITY GREEN.. Standard Keypad (M2). Model Options: Immersion (IP67/IP68). Antenna: KRA-26M3 VHF Helical 136-150MHz. No Battery. No Speaker Mic. Analog FM. P25 CAI AMBE+2. Analog Conventional. 8322000002 P25 Conventional. 8322000005 P25 Phase 1 Trunking. 8326000006 1024 Ch. Conventional Voting Scan. TrueVoice Noise Cancellation. 8326000015 25KHz Disabled. Warranty: 3 Year. Lifetime Perpetual software licensing to next radio purchased.	EA	1		
8	VP6230GRF3-LWIN	KENWOOD Viking P25 Digital Portable Radio, Advanced Public Safety Ergonomics. VHF Model 3 FULL KEYPAD. Includes: VP6230BKF2 VP6230, VHF, M3, GR. Housing: HI VISIBILITY GREEN.. Full Keypad (M3). Model Options: Immersion (IP67/IP68). Antenna: KRA-26M3 VHF Helical 136-150MHz. No Battery. No Speaker Mic. Analog FM. P25 CAI AMBE+2. Analog Conventional. 8322000002 P25 Conventional. 8322000005 P25 Phase 1 Trunking. 8326000006 1024 Ch. Conventional Voting Scan. TrueVoice Noise Cancellation. 8326000015 25KHz Disabled. Warranty: 3 Year. Lifetime Perpetual software licensing to next radio purchased.	EA	1		
9	VP6430BKF2-LWIN	KENWOOD Viking P25 Digital Portable Radio, Advanced Public Safety Ergonomics. 7/800 MHz Model 2 Standard Keypad. Includes: VP6430BKF2 VP6430, 7/800, M2, BK. Housing: Black. Standard Keypad (M2). Model Options: Immersion (IP67/IP68). Antenna: KRA-32K 7/800 MHz 1/2 Wave Whip. No Speaker Mic. Analog FM. P25 CAI AMBE+2. Analog Conventional. 8322000002 P25 Conventional. 8322000005 P25 Phase 1 Trunking. 8326000006 1024 Ch. Conventional Voting Scan. TrueVoice Noise Cancellation. 8326000015 25KHz Disabled. Warranty: 3 Year. Lifetime Perpetual software licensing to next radio purchased.	EA	1		

10	VP6430BKF3-LWIN	KENWOOD Viking P25 Digital Portable Radio, Advanced Public Safety Ergonomics. 7/800 MHz Model 3 FULL KEYPAD. Includes: VP6430BKF3 VP6430, 7/800, M3, BK. Housing: Black. Full Keypad (M3). Model Options: Immersion (IP67/IP68). Antenna: KRA-32K 7/800 MHz 1/2 Wave Whip. No Speaker Mic. Analog FM. P25 CAI AMBE+2. Analog Conventional. 8322000002 P25 Conventional. 8322000005 P25 Phase 1 Trunking. 8326000006 1024 Ch. Conventional Voting Scan. TrueVoice Noise Cancellation. 8326000015 25KHz Disabled. Warranty: 3 Year. Lifetime Perpetual software licensing to next radio purchased.	EA	1		
11	VP6430GRF2-LWIN	KENWOOD Viking P25 Digital Portable Radio, Advanced Public Safety Ergonomics. 7/800 MHz Model 2 Standard Keypad. Includes: VP6430GRF2 VP6430, 7/800, M2, GR. Housing: HI VISIBILITY GREEN. Standard Keypad (M2). Model Options: Immersion (IP67/IP68). Antenna: KRA-32K 7/800 MHz 1/2 Wave Whip. No Speaker Mic. Analog FM. P25 CAI AMBE+2. Analog Conventional. 8322000002 P25 Conventional. 8322000005 P25 Phase 1 Trunking. 8326000006 1024 Ch. Conventional Voting Scan. TrueVoice Noise Cancellation. 8326000015 25KHz Disabled. Warranty: 3 Year. Lifetime Perpetual software licensing to next radio purchased.	EA	13		
12	VP6430GRF3-LWIN	KENWOOD Viking P25 Digital Portable Radio, Advanced Public Safety Ergonomics. 7/800 MHz Model 3 FULL KEYPAD. Includes: VP6430BKF3 VP6430, 7/800, M3, GR. Housing: HI VISIBILITY GREEN. Full Keypad (M3). Model Options: Immersion (IP67/IP68). Antenna: KRA-32K 7/800 MHz 1/2 Wave Whip. No Speaker Mic. Analog FM. P25 CAI AMBE+2. Analog Conventional. 8322000002 P25 Conventional. 8322000005 P25 Phase 1 Trunking. 8326000006 1024 Ch. Conventional Voting Scan. TrueVoice Noise Cancellation. 8326000015 25KHz Disabled. Warranty: 3 Year. Lifetime Perpetual software licensing to next radio purchased.	EA	1		
13	250VP5000001	Option for Intrinsically Safe rating for Hazardous Locations. Requires pairing the radio with the KNB-LS5 or KNB-LS7 style batteries which are intrinsically safe rated.	EA	13		
14	8322000006	Option for adding the Trunked Project 25 digital Phase 2 (TDMA) Protocol to Radio as a Software Option.	EA	1		

15	835VP5000OH	Optional Hardware accessory for changing to a High-Visibility Orange Housing for VP5x30 radios with standard keypad. Includes housing kit plus installation. Must be ordered at the same time as the radio in order to receive factory installation service.	EA	4		
16	835VP5000YH	Optional Hardware accessory for changing to a High-Visibility yellow Housing for VP5x30 radios with standard keypad. Includes housing kit plus installation. Must be ordered at the same time as the radio in order to receive factory installation service.	EA	1		
17	KNB-L2M	Standard capacity battery for VP5x30 or VP6x30 Viking P25 radios. 2600 mAh rating, Lithium-Ion (Li-ion) battery technology.	EA	104		
18	KNB-L3M	High capacity battery for VP5x30 or VP6x30 Viking P25 radios. 3400 mAh rating, Lithium-Ion (Li-ion) battery technology.	EA	1		
19	KNB-LS7-IS	Intrinsically Safe (CSA) rated high capacity battery for VP5x30 or VP6x30 Viking P25 radios. 3800 mAh rating, Lithium-Ion (Li-ion) battery technology.	EA	1		
20	KNB-LS5CU	Intrinsically Safe (CSA) rated standard capacity battery for VP5x30 or VP6x30 Viking P25 radios. 2000 mAh rating, Lithium-Ion (Li-ion) battery technology.	EA	1		
21	KBP-8M	AA Alkaline Refillable Battery Pack (12 AA: 9V). Battery cells not included. Vor VP5x30 or VP6x30 Viking P25 radios.	EA	1		
22	KBH-11	Spring action belt clip (2.5") for VP5x30 or VP6x30 Viking P25 radios.	EA	1		
23	KRA-32K	700/800 MHz Whip Antenna for VP5430 or VP6430 Viking P25 radios.	EA	95		
24	KRA-36	700/800 MHz Stubby Antenna for VP5430 or VP6430 Viking P25 radios.	EA	22		
25	KRA-26M3	VHF helical whip antenna 136-150 MHz for VP5230 or VP6230 Viking P25 radios.	EA	1		
26	KRA-26M	VHF helical whip antenna 146-162 MHz for VP5230 or VP6230 Viking P25 radios.	EA	1		
27	KRA-26M2	VHF helical whip antenna 162-174 MHz for VP5230 or VP6230 Viking P25 radios.	EA	1		
28	KRA-28	VHF broadband helical whip antenna 140-170 MHz for VP5230 or VP6230 Viking P25 radios.	EA	1		
29	KRA-25	VHF hi-gain helical whip antenna 148-162 MHz for VP5230 or VP6230 Viking P25 radios.	EA	1		

30	KSC-32	Single-Unit Tri-Chemistry Rapid Rate Charger. Includes 110/220VAC auto-switching AC Adapter with US-Style line cord plug. Charges Ni-Cd, Ni-MH and Li-Ion battery Types for the Kenwood Viking VP5x30 or VP5x30 series radios. Not compatible with battery optimizing software.	EA	57		
31	KSC-Y32K	Single-Unit Intelligent tri-chemical rapid rate charger. Microprocessor controlled to prevent over-charging. Charges Ni-Cd, Ni-MH and Li-Ion battery Types for the Kenwood Viking VP5x30 or VP5x30 series radios.	EA	1		
32	KSC-326AK	Multi-bay battery charger with six positions. Rapid rate Charges Ni-Cd, Ni-MH and Li-Ion battery Types for the Kenwood Viking VP5x30 or VP5x30 series radios.	EA	1		
33	KVC-15	The KVC-15 is a rapid rate vehicular charger adapter for the desktop KSC-32 charger base, to adapt use of a Kenwood single pocket desk charger for vehicular use powered from a conventional 12V DC vehicle accessory socket or cigarette lighter socket. The KVC-15 is comprised of a steel mounting base & adjustable locking bracket to hold the charger, and a matching DC cable with a fused cigarette lighter plug. The KVC-15 is intended for under-dash, wall, or floor mounting, in a weather protected location in a vehicle, preferably in the cab or in an enclosed work or cargo space. This device is not intended for unprotected operation in wet locations. This unit is designed for 12V DC operation, only.	EA	1		
34	KVC-23V	The KVC-23 has a rugged, heavy-duty vehicular charger cradle ideal for the demanding public safety and industrial sectors which require the charging of portables in the field during long shifts, in remote locations and during times of mass power outages. The KVC-23 Vehicular Charger includes an adjustable-angle steel bracket, D.C. power, ignition sense, and vehicular repeater control leads. The KVC-23V also has the option to accommodate the KNB-L3 or KNB-LS7 high capacity batteries.	EA	1		
35	KMC-70M	Black speaker mic with PTT button, three programmable buttons, and a 3.5mm earphone jack. Ratings: IP67 for immersion, Intrinsically Safe (CSA), MIL-STD environmental. Coiled Cable length is 26 in. (Stretched length: 78 in.) Compatible with Kenwood Viking VPxx30 series radios.	EA	1		

36	KMC-70GR	Hi Visibility Green speaker mic with PTT button, three programmable buttons, and a 3.5mm earphone jack. Ratings: IP67 for immersion, Intrinsically Safe (CSA), MIL-STD environmental. Coiled Cable length is 26 in. (Stretched length: 78 in.) Compatible with Kenwood Viking VPxx30 series radios.	EA	1		
37	KMC-49	Speaker Microphone with PTT button, two programmable buttons, earphone jack, and antenna connector (antenna is not included but can use standard portable antenna). 5/16-in. coax cable hex wrench is included. 24 in coiled cord, Ratings: IP67 for immersion, Intrinsically Safe (CSA), MIL-STD environmental,	EA	1		
38	KEP-1	2.5 mm jack earphone kit with quick disconnect and noise attenuating eartube/earplug. Receive only.	EA	1		
39	KEP-2	3.5 mm jack earphone kit with quick disconnect and noise attenuating eartube/earplug. Receive only.	EA	1		
40	KHS-11BL	2-wire palm mic w/earphone, PTT, and radio connector (Black)	EA	1		
41	V2-G4KC221	Speaker Microphone tested to function for more than five minutes at 500 F (260 C). Large PTT button and emergency button. IP68 immersion rated.	EA	1		
42	KHS-14	Light weight single muff headset with boom mic & in-line PTT, universal connector, black. Compatible with VPxx30 Viking Portable Radios.	EA	1		
43	8323000003	Multi-key DES Encryption option for Viking series portables. The pricing shown is for the option as purchased separately from the radio as an addition later. Note: Use of DES Encryption does not meet DHS OIC Encryption for P25 CAP compliance (grant eligibility.) This software option may be discounted when purchased with certain combinations at the same time as purchase of the radio or with other encryption options.	EA	1		
44	8323000004	Multi-key AES Encryption option for Viking series portables. The pricing shown is for the option as purchased separately from the radio as an addition later. This software option may be discounted when purchased with certain combinations at the same time as purchase of VP6x30 radios or with other encryption options.	EA	1		

45	8323000002	Single-key AES Encryption option for Viking series portables. The pricing shown is for the option as purchased separately from the radio as an addition later. This software option may be discounted when purchased with certain combinations at the same time as purchase of VPxx30 radios or with other encryption options.	EA	1		
46	8323000003	Single-key DES Encryption option for Viking series portables. Note: Use of DES Encryption does not meet DHS OIC Encryption for P25 CAP compliance (grant eligibility.) The pricing shown is for the option as purchased separately from the radio as an addition later. This software option may be discounted when purchased with certain combinations at the same time as purchase of VPxx30 radios or with other encryption options.	EA	1		
47	8323000005	The ARC4 software encryption option for Kenwood Viking compatible with Motorola ADP encryption. Note: Use of ARC4 Encryption does not meet DHS OIC Encryption for P25 CAP compliance (grant eligibility.) The pricing shown is for the option as purchased separately from the radio as an addition later. This software option may be discounted when purchased with certain combinations at the same time as purchase of VPxx30 radios or with other encryption options.	EA	1		
48	250SK5000	The VK5000S Keyloader kit facilitates secure encryption and authentication key generation, storage and programming capability for P25 subscriber radios from a hand-held device. It also supports communication with a Key Management Facility (KMF). Appropriate programming cables to match the target radio device are required for voice keys and authentication keyloading.	EA	1		
49	023500095005	Cable required to connect the VK5000S keyloader kit to Viking VPXx30 series portable radio side port for Voice Key and Authorization Keyloading.	EA	1		
50	KPG-93	Cable required to connect KVL3000/4000/5000 keyloader to the VPXx30 sideport for voice keyloading of DES/AES.	EA	1		
51	KPG-93AUT	Cable required to connect KVL3000/4000/5000 keyloader to the VPxx30 sideport for authentication keyloading.	EA	1		
52	8326000002	MDC1200 and GEstar signalling option for the Kenwood Viking VP5x30 or VP5x30 series radios.	EA	1		

53	8326000001	Link Layer Network Security. Note: For VP5000 series radios, requires addition of the KWD-AE30K hardware module if not already installed.	EA	1		
54	8326000027	Optional encoding/decoding for paging. The radio can be configured to require that a two tone page be received before unmuting to received audio in P25 Trunking mode.	EA	1		
55	8324000003	Over the Air Programming (OTAP) option enables you to program your Viking radios without connecting them to a computer. For use on P25 trunking and P25 Conventional systems only.	EA	1		
56	8324000002	Over-The Air-Rekeying (OTAR) is the process of sending encryption keys and related key management messages over-the-air to specific radios. OTAR is available only on P25 conventional and trunked channels, and only to program DES-OFB and AES keys. The pricing shown is for the option as purchased separately from the radio as an addition later. This software option may be discounted when purchased with certain combinations at the same time as purchase of VPxx30 radios or with other encryption options.	EA	1		
57	8325000001	The P25 Packet Data option allows a subscriber unit to act as a packet data modem for a remote application connected to the radio via RS-232 port. This option is for enabling External Data on P25 Trunking systems only. Note: This option is not needed for data applications which are internal to the radio, such as OTAP, OTAR, or GPS location reporting. The pricing shown is for the option as purchased separately from the radio as an addition later. This software option may be discounted when purchased with certain option combinations at the same time as purchase of VPxx30 radios	EA	1		
58	8325000002	The P25 Packet Data mode allows a subscriber unit to act as a packet data modem for a remote application connected to the radio via RS-232 port. This option is for enabling External Data on P25 Conventional systems only. Note: This option is not needed for data applications which are internal to the radio, such as OTAP, OTAR, or GPS location reporting. The pricing shown is for the option as purchased separately from the radio as an addition later. This software option may be discounted when purchased with certain option combinations at the same time as purchase of VPxx30 radios	EA	1		

59	8326000025	Software option to enable Bluetooth. KENWOOD Viking VPxx30 portables are compatible with a number of wireless speakers/headphones, microphones, and PTT devices. The pricing shown is for the option as purchased separately from the radio as an addition later. This software option may be discounted when purchased at the same time as purchase of VPxx30 radios	EA	15		
60	8325000003	Enables the GPS receiver option for Kenwood Viking VPxx30 portables. The pricing shown is for the option as purchased separately from the radio as an addition later. This software option may be discounted when purchased at the same time as purchase of VPxx30 radios.	EA	1		
61	8326000008	Software option for adding capacity for 2048 Channels/Talkgroups to Viking VPxx30 Portable Radios	EA	1		
62	8326000009	Software option for adding capacity for 4096 Channels/Talkgroups to Viking VPxx30 Portable Radios	EA	1		
63	8326000028	Instant Recording Replay (IRR) is a feature that allows the radio user to playback recent audio. The pricing shown is for the option as purchased separately from the radio as an addition later. This software option may be discounted when purchased at the same time as purchase of VPxx30 radios	EA	17		
64	8326000031	Allows Radio-to-Radio cloning with appropriate cable. The pricing shown is for the option as purchased separately from the radio as an addition later. This software option may be discounted when purchased at the same time as purchase of VPxx30 radios	EA	1		
65	8326000032	Allows short messaging from radio to radio using a pre-defined list or entry with keypad. The pricing shown is for the option as purchased separately from the radio as an addition later. This software option may be discounted when purchased at the same time as purchase of VPxx30 radios	EA	1		
66	8326000003	FIRESafe™ First Responder. Enhances communication awareness in a dynamic fire scene environment. This software option may be discounted when purchased at the same time as purchase of VPxx30 radios.	EA	1		

67	8326000004	FIRESafe™ Command enhances communication awareness in a dynamic fire scene environment. (The FIREsafe Command option includes FIRESafe First Responder option.) This software option may be discounted when purchased at the same time as purchase of VPxx30 radios.	EA	1		
68	8326000026	The Man Down safety feature causes the radio enter emergency mode when the angle exceeds the alert angle (and optionally can include lack of acceleration motion) and if it is detected for a set amount of time. This software option may be discounted when purchased at the same time as purchase of VPxx30 radios.	EA	13		
69	8326000023	EVRS Portable software option which adds the protocols necessary for the portable for operating with a Pyramid SVR-P255/P252 repeater-enabled VM7000 mobile system. This software option may be discounted when purchased at the same time as purchase of VPxx30 radios.	EA	1		
70	KBH-8DS	Leather belt loop with a D-swivel slot and a D-swivel post. The D-swivel post is provided loose, and is to be attached to the VP5x30 radio directly.	EA	1		
71	KLH-200K3	Leather carrying case for Viking VP5000 Series portable radios with KNB-L2 or KNB-L3 batteries. Snap-detachable belt loop and D-rings for shoulder strap (shoulder strap not included). Also works with the KLH-6SW D-Swivel belt loop.	EA	1		
72	KLH-6SW	Detachable leather belt loop used with the KLH-200K3 leather case to provide D-swivel slot and D-swivel post.	EA	1		
73	KLH-137ST	Firemen's Heavy-Duty Leather Shoulder Strap for a Heavy-Duty Leather Case KLH-200K3	EA	1		
74	KLH-201K3	Nylon carrying case for Viking VP5000 Series portable radios with KNB-L2 or KNB-L3 batteries. Case has an attached snap belt loop and 2 D-rings for optional shoulder strap attachment (shoulder strap not included).	EA	1		
75	R50843LF3001	Leather Carrying case for Viking VP6000 series portable radios with fire service-style strap configuration. Top grain leather with a high abrasion resistant finish, stainless steel rivets, nickel plated brass snaps, metal D-rings for a shoulder strap, and includes a one-snap release leather retaining strap. Designed to fit the L3 battery and also L2 battery with spacer.	EA	1		

76	R50843NP2001	Nylon Carrying case for Viking VP6000 series portable radios. Specially designed tightly woven 1000 denier nylon for high abrasion resistance, stainless steel rivets and nickel plated brass snaps. Includes a one-snap release leather retaining strap.	EA	1		
77	R50843NP3001	Nylon carrying case for the Viking VP6000 portable radio. Specially designed tightly woven 1000 denier nylon for high abrasion resistance, stainless steel rivets and nickel plated brass snaps. Includes a one-snap release leather retaining strap. Designed to fit the L3 battery and also L2 battery with spacer. Compatible with belt loop part number R50840000N20.	EA	1		
78	R50843LP3001	Leather Carrying case for the VP6000 with L3 size battery. Top grain leather with high abrasion resistant finish, stainless steel rivets and nickel-plated brass snaps. It Includes a one-snap release leather-retaining strap for secure hold. Designed to fit the L3 battery and also L2 battery with spacer. May be matched with a belt loop, with options being: 50840000L30 - Leather 3 inch Belt Loop R50840000L20 - Leather 2 inch Belt loop R50840000S40 - Leather 4.25 inch Slot Belt Loop	EA	1		
79	R50840000L20	Belt loop compatible with R50843LP3001 case. Top grain leather, designed to fit belts up to 2 inches wide.	EA	1		
80	R50840000L30	Belt loop compatible with R50843LP3001 case. Top grain leather, designed to fit belts up to 3 inches wide.	EA	1		
81	R50840000S40	Belt loop compatible with R50843LP3001 case. Top grain leather, with slots designed to fit belts up to 4.25 inches wide.	EA	1		
82	2990600013	2-year Extended warranty for Viking VPxx30 portable radios. Extended warranty can be bought within the first three yeras while the radio is wihtin the 3-year standard warranty, for total of 5-year warranty	EA	1
